**Directions:** You will select a marine article ("current event") usually once or twice per quarter to research. There are thousands to pick from, so pick something you actually enjoy! The requirements are listed below, just make sure it connects to something we are learning in class!

**Requirements:**
- List the Title of the article you selected 1 point _________________
- List the Author(s) of the article you selected 1 point _________________
- Write a short summary of your article 5 points _________________
  o (4-5 sentences)
- List 3 things you learned or found interesting 3 points _________________
- Ask the author 2 important follow up questions 2 points _________________
- Describe 2 reasons why this is important in class 4 points _________________
- **Proper Reference for your article** 4 points _________________
  o *Will NOT be accepted without a reference!*
  o *Try easybib.com*

**Total** 20 points _________________
